-The Reno's Thermometer was installed at the park's entrance. Holm Graphics donated the sign. We still have 4 fund raisers for this project-Marie Bottrell Show, Caesar Sunday/Fish Fry, Golf Tournament and Jake's 20th Anniversary Weekend. There may also be another Ladies Day in November.

-Sandra gave Gail info on a grant she received from Dave Bradley.

-Cyndy reported that Gary Napper said the Cox Sign at the corner is in rough shape. He and Cyndy suggested we consider purchasing a solar digital sign to replace it after the Reno Project is paid off. Cyndy expects that it will probably cost between \$40,000-\$50,000. She will look into info on one of these signs.

Old Business:

1. Cash Show

Cyndy reported she has contacted Paul Anthony and has deferred this show till the Spring 2021. Mark will help her get the right protocol to hold at Bruce Jail and it's requirements to hold this show to start planning.

2. Spring Fund Raiser

Cyndy reported she almost has the committee in place. Advertising has started and she has sold some tickets. Beef Supper, Share the Wealth and Bar along with the show.

3. Phone

Still concerns that the Community Centre still has no phone, since we are a Warming Centre. Jamie Lang is supposed to be looking into this situation.

4. Friday Social Activities

Sandra reported that they have learned that not to start this program until January. Communicating to the public has been the biggest hurdle. Scrapping the events on Friday evenings. Cyndy has a Senior Exercise Programs at lunch time and then games and socializing start at 1:30 pm. A Trivia Night has been planned for February 7th and afternoon Valentine Social with refreshments for donation at door. Al Crawford will be the entertainment. Cyndy and the Rec Department has started advertising for these events. A microphone will have to be set up for this event. If music expense is not met, The Rec Depart will cover the shortage. Plans to have exercise on the TV screen after Cyndy's classes ends. They will have to use the electronic equipment.
