Whereas breast cancer is the most frequently diagnosed cancer in Canadian women – it can be completely cured if caught in time.

And Whereas 27,000 Canadian women were diagnosed with breast cancer in 2019; this represents 25% of all new cancer cases. 230 were men.

And Whereas 5,000 women died of this disease in 2019; 13% of all cancer deaths

And Whereas women younger than 35 tend to be diagnosed with more aggressive, higher grade tumors; they are often more advanced at diagnosis

And Whereas 1 in 8 Canadian women will develop breast cancer in her lifetime, and 1 in 31 will die from it!

And Whereas by proclaiming Tuesday, May 12, 2020, National Denim Day, the Municipality of Brockton assists the CURE Foundation for breast cancer in raising awareness about the seriousness of this women’s disease.

Now Therefore Be It Resolved That the Council of the Corporation of the Municipality of Brockton do hereby proclaim that Tuesday, May 12, 2020, to be National Denim Day in the Municipality of Brockton in the province of Ontario, and in issuing this proclamation, ask our citizens to recognize this day.
