

June 13, 2020

Dear Councillor

A decision was made by Brockton council to close the Riversdale bridge on sideroad 20 to vehicle traffic.

The closure of a bridge of convenience and connection has severed our small rural community.

This closure has negatively impacted our daily life.

We are left frustrated by the lack of communication and lack of transparency .

We are asking for a committed action plan for keeping our bridge .

Sincerely,

Allan, Wendy and Ashly Lamont
