6. Decision of the Court

Greg Nancekivell provided the Court of Revision with a brief summary of the assessments, noting that the majority of the assessment was attributed to the closed tile work. The open portion was attributed to the municipal drain to allow for any maintenance that may need to be performed in the future, such as the removal of beaver dams. Greg Nancekivell noted that most of the assessed properties were eligible for the 1/3 grant from the provincial government.

There were no assessed landowners, or other members of the public, in attendance and there were no questions from the Court of Revision.

Resolution COR 19-01-06

Moved By: Chris Oberle

Seconded By: Dan Gieruszak

That the Court of Revision for the Municipality of Brockton approves the Van Nes Municipal Drain 2019 Schedule of Net Assessment and drainage works as presented by Dietrich Engineering Limited in their report received by the Municipality of Brockton on June 27, 2019.

Carried
