1. Acceptance of Council Agenda

Resolution 20-18-01

Moved By: Steve Adams

Seconded By: Tim Elphick

That the Council of the Municipality of Brockton accept the Agenda for the regular Council Meeting on Tuesday, August 11, 2020 as presented.

Carried

2. Declaration of Pecuniary Interest and General Nature Thereof

3. Public Meetings Required Under the Planning Act

4. Delegations

4.1 Krista Miller, South Bruce O.P.P. Detachment Commander - 2019 South Bruce O.P.P. Annual Report

Krista Miller, South Bruce O.P.P Detachment Commander, provided Council with an overview of the report and the yearly statistics for various types of calls for services. Krista Miller noted that, unfortunately, there was a homicide in the previous year as well as an increase in sexual assaults. It was noted that the increase in sexual assaults may be connected to additional training and greater reporting arising out of the MeToo movement.

Ms. Miller noted that the increase of arson and clarified that these incidents were smaller mischief related offences and not larger fires. There was a significant decrease in larger value theft and break and enter charges. Krista Miller also noted that the drug related charges were no longer related to marijuana as it was no longer criminalized, but more drugs such as methamphetamine and opioids.

Ms. Miller reviewed the overall total calls for service in 2019 and the total number of office hours and hours dedicated to traffic stops across the entire detachment area. The largest calls for service in 2019 was related to 911 misdials, however Ms. Miller informed Council that the OPP had amended the policy to limit 911 calls that were not attributable to an emergency to identify situations where an officer need not attend. This policy was the result of increased training in social and verbal cues for the OPP dispatchers. The second greatest volume for calls for service was for suspicious persons, which can be helpful as it indicates the community working together with the OPP to assist in situations that require additional investigation. Ms. Miller reviewed the remaining categories for calls for service, highlighted trends and provided an analysis for these trends where possible.

Ms. Miller responded to questions from Council and clarified the categories used to classify the various calls for service. Ms. Miller also confirmed that, in her opinion, there was increased use of the street drugs as well as re-diverted resources due to the decriminalization of marijuana. It was also noted that the statistics were for calls for services and that some of these calls for service would have been unfounded such that no charges should be laid. Ms. Miller also confirmed that while impaired driving was not one of the most prevalent calls for service, anecdotally there was an increase occurring in 2020.

Ms. Miller concluded her presentation by informing Council of the general news and initiatives being undertaken by the South Bruce O.P.P Detachment, such as human trafficking awareness and community safety and well-being planning. Ms. Miller responded to additional questions from Council and confirmed there would be a back-to-school campaign to ensure student safety in the fall.

5. Minutes

5.1 Council Minutes - July 14, 2020

Resolution 20-18-02

Resolution 20-18-07

Moved By: Steve Adams

Seconded By: Tim Elphick

That the Council of the Municipality of Brockton hereby receives Report Number UT2020-10 – July 2020 Water and Wastewater Maintenance Report, prepared by Gregg Furtney, Director of Operations for information purposes.

Carried

7.6 BlackCat Speed Radar – Ridout Street Evaluation

Council discussed the data collected from the Black Cat Radar Unit and discussed how long the unit would need to be left in the same location for the data to be reliable and meaningful.

Action: Staff were directed to obtain additional data from Ridout Street using the Black Cat Radar Unit.

Resolution 20-18-08

Moved By: Steve Adams

Seconded By: Tim Elphick

That the Council of the Municipality of Brockton hereby receives Report Number PW2020-20 - BlackCat Speed Radar – Ridout Street Evaluation, prepared by Gregory Furtney, Director of Operations, for information purposes.

Carried

7.7 Additional Work – Lobies Bridge Project

Council discussed the request for additional work and noted that the costs would likely be higher if put out to tender as all the equipment would need to be brought back.

Resolution 20-18-09

Moved By: James Lang

Seconded By: Dean Leifso

That the Council of the Municipality of Brockton hereby receives Report Number PW2020-21 – Additional Work – Lobies Bridge Project, prepared by Gregg Furtney, Director of Operations for information purposes and in doing so approves the transfer of \$ 11,985.50 plus H.S.T. from the Roads Reserve Fund to the additional project work.

7.8 Water and Wastewater Financial Plans

Gregory Furtney, Director of Operations, responded to questions from Council about the price suggested by B.M. Ross and noted that he believed it was a fair price for the services provided.

Resolution 20-18-10

Moved By: Steve Adams

Seconded By: Tim Elphick

That the Council of the Municipality of Brockton hereby receives Utilities Report Number UT2020-12 - Water and Wastewater Financial Plans, prepared by Gregg Furtney, Director of Operations, and further approves proceeding with the proposal submitted by BM Ross and Associates in the amount of \$19,500 plus H.S.T. that will be taken from the Utilities Capital Reserve Budget.

Carried

7.9 \$2,000 Grant for Raw Water Testing of Lake Rosalind and Marl Lake

Council discussed the overall cost of the testing, and what level of responsibility the municipality may have in assisting residents if the test results indicated a problem with the raw water. Council clarified that the water testing expenses would be reimbursed upon presentation of an invoice up to a maximum of \$2,000.00.

Council decided to consider whether to vote on the motion presented as item 14.1 on the Agenda regarding water testing along with Mr. Furtney's report as they were related rather than considering these items in New Business.

Resolution 20-18-11

Moved By: James Lang

Seconded By: Tim Elphick

That the Council of the Municipality of approves waiving notice of the motion to provide \$2,000 to the Lake Rosalind and Marl Lakes Property Owners Associations for water testing and proceed to a vote.

Carried

14.1 Water Testing for Lake Rosalind and Marl Lakes

Resolution 20-18-12

Moved By: Steve Adams

Seconded By: Tim Elphick

Whereas Blue-Green Algae (B-G A) has been confirmed in the waters of Lake Rosalind (LR) & Marl Lakes (ML),

And whereas the toxins from Blue-Green Algae (also known as Cyanobacteria) can pose a serious health risk to those residents & their pets that come in contact with B-G A contaminated water,

And whereas it's of the highest priority & responsibility of every level of government to ensure the health & safety of its residents,

And whereas the leadership of both the Lake Rosalind & Marl Lakes Property Associations, through the volunteer efforts of the Lake Rosalind / Marl Lakes Joint Water Quality Committee, have taken proactive steps with its residents in an attempt to diminish avoidable nutrient loading into the lakes (e.g. eliminating fertilizer use near the shoreline, encouraging septic system inspection / repairs to prevent leaching into the lakes, providing information / education, etc),

And whereas its recognized that much of the nutrient loading originates outside of the LR / ML shoreline,

And whereas the LR / ML residents had previous to 2018 assumed most all of the water testing costs,

Therefore, be it resolved that the Council of the Municipality of Brockton authorize staff to provide support & assistance to the Property Owners Associations & Lake Rosalind / Marl Lakes Joint Water Quality Committee as deemed appropriate,

And further, in an effort to support the health, safety & well-being of Lake Rosalind & Marl Lakes residents, that Brockton Council agrees to provide water testing funding assistance for calendar 2020 to a maximum of \$2,000 (funding from the Council Reserve Fund).

And further, during upcoming 2021 budget deliberation, that Brockton Council reviews adding a similar level of financial support to the 2021 budget.

Carried

Resolution 20-18-13

Moved By: Steve Adams

Seconded By: Tim Elphick

That the Council of the Municipality of Brockton hereby receives Report Number UT2020-11 - \$2,000 Grant for Raw Water Testing of Lake Rosalind and Marl Lake, prepared by Gregg Furtney, Director of Operations, and in doing so approves Option # b, to be funded from the Council Reserve Fund.

Carried

7.10 Recommendation for Crosswalk at Hinks St and Cemetery Road Corner

Gregory Furtney, Director of Operations, responded to questions from Council and confirmed that the school crossing sign could be used rather than installing a stop sign. Mr. Furtney acknowledged that the signs would not force vehicles to stop, and that pedestrians may still need to yield to traffic. Mr. Furtney noted that Council could install pedestrian crossing signage at this time and reconsider whether a full crosswalk was recommended during the discussion of the 2021 municipal budget.

Council decided to table the motion to allow staff to collect some additional traffic information after school resumes in September.

Resolution 20-18-14

Moved By: Tim Elphick

Seconded By: Steve Adams

That the Council of the Municipality of Brockton hereby receives Report Number PW2020-22 – Recommendation for Crosswalk at Hinks St and Cemetery Road Corner, prepared by Cally Mann, Municipal Executive Coordinator, and in doing so directs staff to proceed with Option 3 - Install two (2) additional stop signs and complete additional road painting for the crosswalk.

Tabled

7.11 Lake Rosalind Road 1 Parking Restrictions Feedback

Council discussed the recommendations in the report noting the lack of responses received by staff. Staff were directed to contact the leadership of the Lake Rosalind Property Owners Association to confirm the request of the membership of that organization with respect to additional parking enforcement along Lake Rosalind Road 1.

Resolution 20-18-15

Moved By: Dan Gieruszak

Seconded By: Kym Hutcheon

That the Council of the Municipality of Brockton hereby receives Report Number CLK2020-25 – Lake Rosalind Road 1 Parking Restrictions Feedback, prepared by Sarah Johnson, Jr. Deputy Clerk and Gregory Furtney, Director of Operations and in doing so approves no further parking restrictions along Lake Rosalind Road 1.

Tabled

Carried

7.15 Broadcasting Council Meetings – Additional Information and Quotes

Council discussed the likelihood and necessity of resuming in-person Council meetings, noting that significant costs could be deferred at this time by committing to remote meetings for the remainder of the year such that the only costs to be incurred at this time would be the upgraded zoom licenses. Council also discussed the safety protocols and concerns for delegations and members of Committees of Council.

Council decided to proceed with remote meetings only for the remainder of the year and authorized the upgraded Zoom license to a maximum of \$3,500.00 to be funded from the Council Reserve Fund.

Resolution 20-18-19

Moved By: Dean Leifso

Seconded By: Tim Elphick

That the Council of the Municipality of Brockton hereby accepts Report Number CLK2020-27, Broadcasting Council Meetings – Additional Information and

Quotes for information purposes and approves moving ahead with upgraded Zoom license for a maximum of \$3,500.00 to be funded and transferred from the Council reserve fund, with the decision of the permanent location for Council meetings to be considered later in the year.
