Re: Investment in Rural Broadband Infrastructure

Dear Honourable Navdeep Bains:

On behalf of the residents and businesses of the Town of Mono, I want to add my voice to that of Ontario Minister of Municipal Affairs and Housing, the Honourable Steve Clark, in reminding your government of the importance of bringing high speed Internet to rural areas. Without reliable Internet access, businesses and residents are being left behind, furthering the digital divide between rural and urban centres.

The COVID-19 pandemic has only revealed deeper issues with Internet access in rural communities as businesses, students and teachers struggled with unreliable Internet. Rural residents are concerned that limited access is preventing their children from accessing remote learning tools and is leaving them behind in their education. It is hampering economic growth and limiting businesses' ability to recover from the pandemic.

Building the infrastructure needed to address these concerns will take a concerted effort by all levels of government. The Town of Mono, as a lower tier Ontario municipality, has been working on the issue for a number of years as has the upper tier County of Dufferin, including investing in the Southwestern Integrated Fibre Technology (SWIFT) initiative.

The need for immediate action has never been greater. We are encouraged by the Province of Ontario's commitment to invest a further \$315 million in the Broadband and Cellular Action Plan. The Town of Mono urges your government to take urgent action to provide immediate funding to build the infrastructure needed to ensure reliable broadband service in rural and underserved areas in Ontario.

Regards,

**TOWN OF MONO**

Laura Ryan  
Mayor
