

City of Kawartha Lakes: Letter of Reference

To Whom it may concern:

The City of Kawartha Lakes highly recommends the services of GrantMatch. As a municipality, it can be difficult to allocate the time and resources necessary to maintain a proactive funding strategy. GrantMatch assists us in keeping our team informed and on track with upcoming funding opportunities.

We appreciate that GrantMatch visited our office to review our budgets and needs in order to design a winning funding application. Our Funding Specialist Melissa Judson kept us on track through every step of the application. This was crucial to our success.

In the past, the City of Kawartha lakes has found that applying to government funding programs can be a daunting task. Often, tight deadlines and comprehensive programming eligibility requirements have left our staff feeling overwhelmed and ultimately unsuccessful.

We commend GrantMatch's dedicated team who are so involved and informed within the Canadian funding landscape. Their unmatched level of expertise has proven to be highly beneficial to our growth as a municipality.
