

The Corporation of the Municipality of Brockton

By-Law 2020-096

Being a By-Law to Authorize the Signing of an Agreement With Electronic Products Recycling Association for the Purpose of Managing Electronic Waste for the Municipality of Brockton.

Whereas the *Municipal Act, 2001, S.O. 2001, c. 25*, Section 5(1), as amended, provides that the powers of a municipal corporation are to be exercised by its council;

And Whereas the *Municipal Act, 2001, S.O. 2001, c. 25*, Section 5(3), as amended, provides that a municipal power, including a municipality's capacity rights, powers and privileges under section 9; shall be exercised by By-Law;

And Whereas the Council for the Corporation of the Municipality of Brockton deems it expedient to enter an agreement with Electronic Products Recycling Association with respect to safely managing electronic waste in an environmentally sustainable manner for the Municipality of Brockton;

And Whereas the Corporation of the Municipality of Brockton has previously entered into an agreement with Ontario Electronic Stewardship who have since incorporated into Electronic Products Recycling Association requiring a new agreement to be authorized;

Now Therefore the Council of the Corporation of the Municipality of Brockton enacts as follows;

- 1.0 That The Corporation of the Municipality of Brockton Council hereby enter into an agreement with Electronic Products Recycling Association which is attached as "Schedule A" and forms part of this By-Law;
- 2.0 The execution by the Mayor and Clerk of said agreement between the Corporation of the Municipality of Brockton and Electronic Products Recycling Association is hereby authorized, ratified, and confirmed.
- 3.0 This By-Law shall come into full force and effect upon final passage.
- 4.0 This By-Law may be cited as the "Electronic Products Recycling Association Agreement By-Law".

Read, Enacted, Signed and Sealed this 8th day of September, 2020.

Dear Mr. Strader,

Re: Electronic Waste Collection and Recycling

Thank you for your partnership with Electronic Products Recycling Association (“EPRA”) to safely manage your electronic waste in an environmentally sustainable manner.

EPRA is pleased to support you by providing the following at your collection sites as listed in Schedule A:

- Collection bin (Sea Container) for use at your site at no charge
- An online tracking system, for reporting and tracking shipments
- Timely and reliable pick up service
- Promotion of the Collection Location on the EPRA website
- Payment to you at \$200.00 per tonne (if applicable)
- Represent you as your Producer Responsibility Organization (PRO) Post Dec 30 2020

In consideration for EPRA providing support as described above, Municipality of Brockton will perform the following:

1. Collection and provision of e-waste to EPRA, including agreeing to not modify, disassemble, deconstruct or remove any waste electrical and electronic equipment or parts collected.
2. Use equipment and supplies provided by EPRA only for EPRA e-waste intended purposes and in an efficient manner.
3. EPRA adheres to provincial laws on privacy for electronic devices, however, we encourage businesses and individuals to secure their own privacy and wipe the data drives clean prior to drop off.
4. Provide safe and timely access to EPRA transporters for pick-up of materials
5. Maintain and provide to EPRA documentation that may be required under Ontario regulations governing electronics recycling.
6. Ensure that all acceptable WEEE material collected at this site or any site operated by the Collector is provided to EPRA

7. Work exclusively with EPRA for the safe secure recycling of the materials outlined while the contract is in effect.

This agreement will begin effective **July 6, 2020** and will continue until either party provides 30 days notice of termination. The terms of this contract are Confidential and not to be disclosed with members outside of the signing organizations.

To indicate your agreement, please sign below and return a scanned copy of this letter to EPRA.

Please be aware that this collection program is based on the current Waste Diversion Act, the Industry Funding Organization (OES) currently administering this program is slated to cease operations Dec 30 2020. At that time a new framework will come into affect under the Resource Recovery and Circular Economy Act, based on the requirements of this new framework the existing contract will be reviewed by both parties to ensure consistency. When registering with Resource Productivity and Recovery Authority (RPRA) please remember to identify EPRA as your PRO.

We look forward to working with you to successfully manage and recycle Waste Electronics and other materials as outlined on Schedule B.
