Jeff Davis

Events and Promotion Committee

Attn.:

Fiona Hamilton, Clerk

Municipality of Brockton

Good morning Fiona,

Thank you for the chat on Friday and as I mentioned, I am following up today. I'm writing on behalf of the BIA Events and Promotion Committee seeking a letter of municipal support for the Walkerton Hometown Christmas Market. We require this letter for a liquor license. Hoity Toity Cellars and Junction 56 Distillery are planning to participate, as well as a brewery yet to be determined, and to facilitate their participation, the event must be licensed. Since the Walkerton Shopper's Night is no longer going on, the Christmas Market will attempt to replace it somewhat and give citizens a fun and safe option for Christmas shopping. We hope to make this event one of municipal significance.

If you could have this letter and request added to council's agenda for the upcoming meeting, that would be excellent. Thank you in advance.

Best regards,

Jeff Davis
