## **DETACHMENT UPDATES**

- We continue to have significantly fewer Sexual Assault reports Year to Date compared to 2019.
- The number of Assault complaints were down slightly during this time period. All were Domestic related.
- Break and Enters decreased during this time period but are up Year to Date.
- We have experienced a spate of vehicle thefts in South Bruce over the past month. These contribute to our Theft Over statistics. 92% of the vehicles stolen had the keys left in them. Two of the stolen vehicles were from Brockton – one sedan and one pickup truck. We have completed media messaging regarding Pocket Your Keys in an attempt to get the message out to the public.
- Frauds remain status quo for YTD.
- Mischiefs continue to trend downward.
- Although the Personal Injury collisions were up slightly this month we continue to see the benefit of less Motor Vehicle Collisions overall YTD.
- Three individuals were charged with being Impaired By Alcohol in the month of September and one person was charged with Refusing to Provide a Breath Sample.
- Two Motorcycles were stopped simultaneously for Stunt Driving (driving over 50 km over the speed limit). Their MCs were impounded and they lost their driver's licences for 7 days.
- The media launch for the signed MOU for the Police/Hospital Transfer of Care Protocol for Grey-Bruce took place at the Hanover Hospital on Oct 9th. Representatives from both OPP detachments, the four Municipal Police Services and the three Hospital groups in Grey-Bruce met for a socially distanced photo opportunity to celebrate the protocol.

This is the first time in the province a collaboration of this size has occurred. The Transfer of Care protocol will benefit those individuals experiencing a mental health crisis in their transfer from police to hospital staff and ensuring the proper care.

- Virtually training is continuing for the Police/Hospital Transfer of Care Protocol. A/S/Sgt WILCOX and representatives from the Health Centres and CMHA created the virtual training and are presenting it to members of all involved Police Services and Hospital Groups to ensure success of the Transfer of Care Protocol.
- We are anticipating the launch of our collaboration with CMHA-GB of the Mobile Mental Health and Addictions Response Team (MMHART). This project will team CMHA Mental Health workers with South Bruce officers responding to Mental Health and Addictions calls for service. We are extremely hopeful this will assist in preventing unnecessary Emergency Department visits and providing proper resources and support to those experiencing Mental Health and Addictions Crises at the right place and right time. An Orientation Session for the assigned CMHA workers is occurring at the Walkerton officer on October 14<sup>th</sup>.
