- There were no Sexual Assaults reported in October and we continue to trend downward for reports Year to Date compared to 2019.
- The number of Assault complaints were down slightly during this time period. One was Domestic related and another involved an Assault Police charge. One Assault was as a result of an altercation between some youth at school.
- There were no Break and Enters reported during this time period.
- We continue to see vehicle thefts with a pick-up truck stolen in Brockton. This is despite arrests made in previous thefts this fall. We continue to promote the Pocket Your Keys campaign in order to thwart these types of thefts.
- Three thefts during this time period involved the theft of licence plates. This is often seen to contribute to other crimes as the stolen plates are used on other vehicles included stolen ones. We also had three reports of stolen marijuana plants.
- There were no Frauds reported in October and we are down overall YTD.
- Mischiefs also continue to trend downward. Once case of mischief involved the breaking of the paddle on the canoe. This is the second time this has occurred.
- Tragically we had a motor vehicle vs buggy collision this month resulting in the deaths of two children. This collision is still under investigation with assistance being provided by the OPP Traffic Investigation Management Team.
- One individual was charged with being Impaired By Alcohol in the month of October.
- The owner of a vehicle with an exceptionally loud muffler that had received numerous complaints was warned. The vehicle is currently stored for the winter but officers will be observing for it again in the spring.

- The School Resource Officer was made aware of a "Fight Club" that was occurring after school hours near the high school. The SRO was able to identify those involved and determined that a charge of Prize fighting was warranted. One youth was diverted for that charge and the "Fight Club" disbanded.
- Insp Miller conducted a virtual presentation to the Brockton Rotary Club based on the 2019 Year End Report.
- The launch of our collaboration with CMHA-GB of the Mobile Mental Health and Addictions Response Team (MMHART) took place on Nov 2nd. This project teams CMHA Mental Health workers with South Bruce officers responding to Mental Health and Addictions calls for service. We are extremely hopeful this will assist in preventing unnecessary Emergency Department visits and providing proper resources and support to those experiencing Mental Health and Addictions Crises at the right place and right time.
