Re: Family Day at Lake Rosalind

LAKE ROSALIND WINTER FUN FEST

Preferred date Sunday Feb 14 (rain date Sat Feb 13)

We want to have some **FUN** this winter so we are planning a day of **FOOD**, **GAMES** and **FUN** in the **SNOW** for all Lake Rosalind Residents to enjoy!

Our goal is to have fun BUT safety comes first, so we will be responsibly monitoring the weather, the condition of the ice, and we will comply with COVID 19 protocols and restrictions.

We are super excited to bring the Residents and their families something to look forward to this winter, a true family fun filled day. More details to follow but activities being considered are horse and sleigh rides, hockey, curling, skating, cross country skiing, snow shoeing, food cooked over an open fire, tug of war, carnival king and queen, ice sculpture contest, and so on.

Any support from the Municipality through the Safe Start Grant, Recreation program or other means would be greatly appreciated.

Ken Coleman

Treasurer

Lake Rosalind Winter Fun Fest Committee
