Att: Municipality of Brockton Council

This is an application for the financing of a small tile drain project done in April 2020 on the farm Lot 19 Con 13 of the former township of Greenock (on Bruce Rd. 15)

The total amount owing to Don Ferris Construction including taxes is \$9,798.12.

With 25% payment (\$2,449.53 + \$48.59 after rounding loan amount to nearest \$100) being made by me personally I am asking if the remaining 75% (\$7,300.00) could be financed.

The project was mostly the replacement of existing drains that were not working and followed the natural drainage course. None of this expense was for the purpose of land clearing.

A visual inspection visit is welcome at an appointed time.

Don Ferris Construction Drainage Operators Number is DO-1654
