Re: Chepstow Sidewalks

Dear Ms. Watson,

Thank you for following up regarding a letter sent on February 21, 2018 concerning the sidewalk conditions in the village of Chepstow during the winter months. I would like to assure you that Bluewater District School Board holds a high regard for the health, safety and well-being of all those who use the transportation services.

The Student Transportation Service Consortium reviewed the areas of concern in January 2017 and February 2018 for hazard designation. After reviewing the location of concern expressed by Ms. Coville, Bluewater District School Board and the Transportation Consortium remain satisfied with the walk expectations and will not be arranging for at home pick up for the students of Ms. Coville. Bluewater District School Board wishes to maintain a consistent approach to walk eligibility in Grey-Bruce. Parents remain responsible for getting their children to school/bus stops as appropriate.

If you have any further questions, please do not hesitate to contact me at 519-363-2014.

Yours truly,
