Subject: Chepstow Sidewalks

Hello

Last year i sent an e-mail to council with my concerns regarding the state of the sidewalks in Chepstow especially not being cleared of snow in the winter. I have received a letter from council that they will be addressing the situation and i have also spoken with one of the Councillors about the sidewalks recently and he mentioned it was brought up at council and they are working on getting the issue rectified. I would like to express my thanks to council for investigating the sidewalk issues and possible resolutions, i still believe this is a safety concern and will keep note of the state of the sidewalks this winter. I will also keep in contact with council so together we can get the sidewalks plowed in the winter and possibly put aside some money to fix them permanently at a later date. Thanks again
