Bank Summary	
GIC \$ 2008.39 to be cashed Bank Account Balance \$2 541,46	\$4 549.85

Expense Priorities

- insurance,
- water, hydro,
- Walkerton Lawn Bowling Club,
- Doug Gwilt, (hourly rate and hours not yet determined)
- sprinklers
- Gas
- Weed and Feed or paring down Ground Effects service if Doug cannot do this or decides not to take the job down the road.
- Lead line if we are fully responsible. If we are, can it be delayed if we are not bowling?

Notes

1. We **do not qualify for Grants...** Due to lease renewal, no CRA number and not incorporated. **This will be rectified for next year.**
2. Will **probably not be collecting bowling fees** this year as membership do not feel comfortable with current situation and don’t want to bowl with masks, limited numbers etc., as well we have a range ages of members some who may not get vaccinated until September.
3. **Fundraising dinners are terminated** due to the cancellation of Picking by the Pond
4. Because of the termination of the CDCF , we no longer have the **agreement of them paying our hydro and water for our volunteerism for doing tickets at the door** etc., for their fundraising ventures.
5. This will close the bank account (if we are lucky and nothing unexpected comes up.)
