RE: Queen Street (Elmwood) Reconstruction

Tenders were received on Monday, April 19, 2021 for the above noted project, as summarized by the following table:

Tenderer	Tendered Amount
Cedarwell Excavating Ltd.	\$1,741,280.85
Kurtis Smith Excavating Inc.	\$1,771,840.00

Both tenders were checked for mathematical errors. The Cedarwell submission was found to have a \$0.01 rounding error on the HST calculation. The Kurtis Smith submission was found to be mathematically correct. Both tenders were properly signed and both were submitted with the specified tender deposit and Agreement to Bond.

Since the lowest tender is acceptable contractually, and the tenderer is experienced in urban street reconstruction and infrastructure replacement, further analysis is limited to the lowest bid. We are not aware of any reason why the contract should not be awarded to Cedarwell Excavating Ltd. for the total tender sum of \$1,741,280.85.

Please retain the tender deposits from the two low bidders until the contracts are formally signed.

Should you have any questions, please contact the undersigned.

Yours very truly,

B. M. ROSS AND ASSOCIATES LIMITED
