100 Scott Street, Box 68
Walkerton, ON N0G 2V0

Dear Mayor Peabody and Brockton Council,

May is Community Living month across Ontario, and over 100 Community Living Associations work to build a better environment for people with disabilities. At this time, Community Living Walkerton and District will celebrate the many successes of creating inclusive communities for people with developmental disabilities.

Community Living Walkerton and District was first organized in 1956, and in 2021, we continue to work to build a better environment for all people with disabilities. May is an opportunity to celebrate inclusion and foster awareness for the full participation of people with disabilities within our community.

At this time, we would like to request the opportunity to raise the Community Living flag within the Municipality of Brockton from May 13th – 31st. The flag will remind our community of the participation of all individuals with disabilities in our community and promote citizenship for all.

Thank you for your consideration of our request, and please forward your reply to

Sincerely,

Michele Bell
